WHITE AND RED BURGUNDY WITH FLINT WINES WEDNESDAY 29 FEBRUARY AT BOUNDARY RESTAURANT

This will be an interesting event for beginners *and* connoisseurs. The aim is to explore how these world-class wines evolve over years in the bottle. We will start the evening with four *en primeur* wines from the just-released 2010 vintage – those of you who have been following this year's *en primeur* campaign will immediately realise that it is a great vintage, with the wines fit for early drinking. Then, over a delicious dinner, we will taste older wines from the same vineyards and winemakers.

Flint Wines are Burgundy specialists and represent some of the top domaines. At this event, we will also invite guests to participate (optional) in a little *en primeur* buying directly from the merchant at trade prices. Ideal for those thinking about starting a collection or wanting to make an investment (from as little as just a couple of hundred pounds) and also good for topping up an already established cellar.

APÉRITIF FROM 7PM, WITH THE TASTING COMMENCING AT 7.30PM
